

Dear Potential Sponsor,

A big thanks to all of you who participated in our fundraising drive last year. With some of the help that we received, we were able to place a down payment on new uniforms, which will arrive in late September. This year's fundraising will help us to pay the balance on those uniforms and help fund other guard and band expenses such as staffing, materials, equipment and equipment repair.

Unlike other fundraisers, where much of the profit goes to the product vendor, all of the money you donate here goes directly into enhancing our band program. With your permission, your donation will be acknowledged on our website at www.SpanishRiverBand.com. Uniform underwriting and individual donations over \$100 will also be recognized in our Winter and Spring Concert programs. Hardship Scholarship sponsors will receive special recognition in the programs and on a permanent plaque displayed in the band room.

2010-2011 THEME "Reflections of the River"

Our theme this year celebrates the spirit of *The River* – the nickname of Spanish River High School. The concept is to honor the past as we build our future. The theme also ties into retiring our 12-year-old uniforms and donning a new look, which will showcase the band and Color Guard as a modern, competitive team with a beautifully executed, highly spirited show. We are privileged to be performing original music created especially for our program by composers Bill Castillo and Matt Crowning.

Your donation is tax deductible! Please mail checks by 9/28/10.

Program Donation Opportunities:

Underwriting Donation Opportunities:

(Check One and Fill in AMOUNT)

___ Friend \$10-\$49

Guard Saber: \$130 ea, \$650 per 5
